fundinfo.com opens an office in Hong Kong

Zuerich/Hong Kong, March 1st 2011

We are proud to announce that fundinfo.com is expanding its network with the opening of an office in Hong Kong, appointing Doris Tse as Sales Director for Hong Kong and Singapore.

The two fund markets Hong Kong and Singapore are increasingly important to the fund management industry. Both Hong Kong and Singapore in terms of asset inflows and number of registered funds, are hot spots for fund management companies. By establishing a physical presence in the region, fundinfo.com will be able to provide a more tailored and insightful service for its clients, asset managers as well as fund distributors such as Banks, Insurance companies or Independent Financial Advisers.

Commenting on the opening of the Hong Kong office, Philipp Portmann, CEO of fundinfo.com, said: "The opening of a local office in Hong Kong is a logical step for us as the fund markets in Asia, particularly those in Hong Kong and Singapore, are getting more and more important for our clients."

Doris Tse, Sales Director at fundinfo Asia Ltd., commented:

"I look forward to developing the business for fundinfo.com with my experience, knowledge and network in Asia. fundinfo.com's unique services offer great opportunities for the growing fund industry in Hong Kong and Singapore to increase productivity, efficiency and transparency. fundinfo.com's Fund Document Services and its public websites www.fundinfo.com and www.etfinfo.com will be available for fund providers, financial institutions and investors in Hong Kong and Singapore."
