fundinfo expands its market presence in Europe

Acquisition of KiidLine and establishing an office in Paris

fundinfo has acquired KiidLine in Paris and thereby further expands its presence in Europe. KiidLine is a service provider specialized in distributing publications of Asset Managers in France. This acquisition drastically bolsters fundinfo's coverage of the French fund market and also brings a local presence in Paris.

KiidLine's founder, Christophe Bossi, takes over the role of Sales Director France at the new subsidiary as of 1st November 2015. By this expansion, fundinfo will be in a better position to develop services for the French market and offer existing clients further support.

Commenting on the office opening in Paris, Jan Giller, Head of Marketing & Sales, said, "fundinfo has brought on board Christophe Bossi in Paris, a seasoned expert with many years' experience in the investment fund industry. We look forward to strengthen the local presence with the help of Christophe Bossi and to improve the customer service as well as better use the market potential."

Christophe Bossi, Sales Director France at fundinfo, said: „I am really proud to associate our local expertise with strength and competences of fundinfo. This acquisition will benefit to fund managers in their national and international expansion in giving them professional tools to communicate efficiently with their distributors and clients. By this acquisition, fundinfo reinforce its leadership in Europe and in a strategic market such as France.“
